

Return Policy

When returning product to NETZSCH for any reason, you must first contact NETZSCH Customer Service and obtain a return authorization (RGA). NETZSCH Customer Service email address is customerservice.npa@netzsch.com. Returns are not accepted without a return authorization (RGA).

After obtaining a return authorization (RGA), you must send the product - freight prepaid - to NETZSCH unless otherwise agreed. The return authorization (RGA) number must be prominently displayed on the outside of your package. If you send your product to NETZSCH without the return authorization (RGA) number prominently displayed on the outside of the package, it will be returned to you unopened.

Please use a shipping company that can demonstrate proof of delivery. NETZSCH does not accept responsibility for any lost shipments unless proof of delivery is provided. Product shipped to NETZSCH must be properly packaged to prevent loss or damage in transit. The customer is responsible for all transportation, insurance, duties and other similar charges for all returned products and must ensure that the product is properly packaged for shipment. Shipping damages, resulting from improper packaging will be the customer's responsibility. You must contact the respective carrier directly to initiate claims for damage.

NETZSCH will not return for credit any product that has been damaged or has been used. Items returned for credit must be new and unused. If a part is authorized for return and is because of a customer error, a restocking charge will apply.

All NETZSCH products ship with a 1 year limited warranty. Products to be returned for warranty consideration must be within the warranty period. Warranty begins on the date of shipment by NETZSCH. Defective products may be returned at any time during the warranty period but must have a return authorization (RGA). If a customer wishes to return a product for repair that is no longer within the warranty period or for damage not covered by the warranty, the standard non-warranty service fee is \$105.00 an hour, plus the cost of parts.

Elastomeric products, products made to order, products not normally stocked or products for which there is no current demand will not be accepted as a return. Contact NETZSCH for specific details.

All return requests are processed within 48 business hours.
