1. TERMS AND CONDITIONS APPLICABLE

The terms and conditions set forth herein shall apply to all sales of goods and services ("Products") made or provided by NETZSCH Pumps North America, LLC (the "Company") to any purchaser (the "Buyer"). The Company's acceptance of any order for Products (each, an "Order") is expressly made conditional upon assent to the terms and conditions set forth herein. The Company does not accept and hereby expressly rejects all terms and conditions contained in any document issued by Buyer which purport to pertain to the Products and/or the relationship between Company and Buyer, which terms and conditions are in addition to or inconsistent with the terms and conditions set forth herein, and such terms and conditions shall not become part of any Order.

2. TERMS

Except as otherwise provided herein, terms are cash net 30 days. Amounts past due are subject to a service charge of 1-1/2% per month (or fraction thereof) or maximum contract rate permitted by law. If the Company deems that by reason of the financial condition of the Buyer or otherwise the continuance or production or shipment in the terms specified herein is not justified, the Company may require full or partial payment in advance. For larger orders a down payment will be required depending on the extent of the order. Progress payments may also be required. Legal fees associated with the collection of delinquent accounts will be the responsibility of the Buyer. The Company reserves the right to charge a processing fee for payments by credit card.

3. PRICE POLICY

Prices shall be subject to adjustment to those in effect at time of shipment, in accordance with the Producer Price Index, other general purpose machinery manufacturing, as published by the U.S. Department of Commerce.

4. PACKING

The Company reserves the right to charge for packing.

5. DELIVERY

Shipping dates given by the Company are approximate and are based on prompt receipt of all necessary information regarding the Order. The Company will use commercially reasonable efforts to meet the scheduled date shown on the Order acknowledgement issued by the Company ("Acknowledgment"), but cannot be held responsible for a failure to do so for causes beyond its reasonable control and in no event shall it be liable for any loss or damage from the failure to deliver within the time specified herein.

In the event of any delay requested by the Buyer or any delay caused by lack of shipping instructions, the Company will store all items ordered at the Buyer's risk and expense, and will invoice the Buyer for the full contract price of the Product on or after the date on which the same is ready for delivery. If manufacture is delayed by the Buyer, payment shall be made on the percent of completion and the contract price. The Company reserves the right to adjust the contract price for increased cost.

6. METHOD OF SHIPMENT

Unless otherwise specified in the Acknowledgment or the Order to which it refers, NETZSCH will arrange for shipping of all Products by common carrier and will charge Buyer a shipping and handling fee. All liability and risk of loss will transfer to Buyer upon delivery of the Products to the common carrier. If Customer arranges for shipping, NETZSCH reserves the right to charge up to a 10% handling fee based on the quoted cost of a NETZSCH-arranged shipment.

7. CHANGES

The Buyer may with the written consent of the Company make changes in the Products covered by an Order. In the event of any such change, the Buyer shall pay to the Company the reasonable costs and other expenses incurred by the Company for such change for all work rendered to effect such change, plus the Company's usual profit thereon.

8. CANCELLATION

The Buyer may cancel an Order only upon written consent and upon payment to the Company of cancellation charges which shall take into account, among other things, anticipated profits, expenses incurred and commitments already made by the Company.

9. REGULATORY LAWS AND/OR STANDARDS

The Company makes no promises or representation that its Products will conform to any federal, state or local laws, ordinances, regulations, codes or standards, except as particularly specified and agreed upon for compliance in writing as part of the contract between Buyer and the Company. The Company prices do not include the cost of any related inspections, permits and inspection fees.

10. RISK OF LOSS

Notwithstanding title to or ownership of the Products, risk of loss shall pass to the Buyer as soon as the Products have been handed over to a common carrier.

11. SECURITY INTEREST

To secure the payment of all amounts owing by Buyer to the Company for Products delivered to but not fully paid for by Buyer, Buyer grants to the Company a first priority security interest in such Products until the entire price is paid by cash in full. Buyer agrees to do all acts necessary to perfect and maintain such security right in the Company. The Buyer must maintain, at its own expense, insurance in an amount equal to the sale price against loss or damage of any Product covered by an Order and agrees to furnish the Company with satisfactory proof of this coverage. Buyer acknowledges and agrees that the Company has the irrevocable power and right to execute, deliver, and file, manually or electronically, all documents or instruments necessary or appropriate in order to perfect, continue, amend, and enforce the above security interest.

12. TAXES

The Company warrants that at the time of shipment the Products will conform to the Company's Product specifications, including performance specifications. All claims for breach of the foregoing warranty must be made by the Buyer in writing within one (1) year after the date of shipment of such Products (the "Warranty Period"). Company's exclusive obligation under the foregoing warranty, and Buyer's exclusive remedy with respect to same, shall be limited to replacement of any nonconforming Product, or, if the Company in its sole discretion determines that it is unable to correct such non-conformity by delivering replacement Product, return of the purchase price paid for such Product, or, where appropriate, the unit price for such number or quantity of the Products as shall have such non-conformity which Seller is unable to correct. The Company shall have no liability with respect to any warranty claim not made within the Warranty Period.

The return of all Products submitted under this warranty must be authorized by the Company and transportation prepaid by the shipper. The Company has no liability for any repairs made outside the Company's factory, unless with its prior written consent.

In no event will the Company be responsible for damage resulting from misuse, abuse, or improper storage or handling of any Product.

Notwithstanding anything to the contrary contained herein, the warranty on purchased items, assemblies or accessories which are provided or installed as a separable component shall not extend beyond the warranty made by the manufacturer of the component.

THE FOREGOING WARRANTY IS PROVIDED IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, EACH OF WHICH IS HEREBY DISCLAIMED BY THE COMPANY, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
